

**CONGRATULATIONS** on your purchase of a  
**FreedomStand and Liberator!**

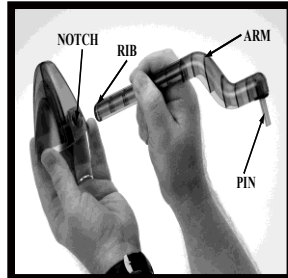

**VUR 1776- PHL**

Place monitor in preferred position and insert the Liberator according to the instructions below. Enjoy!

Your FreedomStand also has an ingenious document support system... **The Liberator.** It may be attached to any of the two positions on the FreedomStand: to the left or to the right..

Here we go:

- 1) Gently slide the arm through the hole in the Liberator. Note: Rib on top of arm MUST align with notch in hole of Liberator. Do NOT force.
- 2) Insert arm pin into one of 2 holes in FreedomStand. Depending on which side you prefer, you might need to repeat step 1 above.
- 3) Your Liberator has two (2) slots for papers, documents, lists, messages, etc. You may easily adjust the Liberator angle or pivot it when not in use. ENJOY!
